

The NeighbRAhood

*The NeighbRAhood is a free, **confidential**, peer support community, led by App State resident assistants (RA) in collaboration with social work student interns. We will focus on the joys and challenges of serving in such a unique role. This group is **inclusive** of all identities held by RAs.*

*Join us weekly in addressing any concerns about the RA role and **maintaining wellness for ourselves**. We will discuss a variety of topics chosen by group participants.*

This group is in partnership with the Social Work Care Collaborative at BCHS Interprofessional Clinic at Appalachian State University.
