

WRITE SOCIAL WORK

(WSW)

Leon Levine Hall, Room 535

WHAT IS WRITE SOCIAL WORK?

- Do you ever feel overwhelmed by grammar, paper structuring, or APA formatting? Need help making sure you are adhering to the APA 7th edition guidelines? Write Social Work (WSW) is here to help!
- WSW is run by an MSW Student who knows the challenges that come with academic writing. I am happy to help undergraduate & graduate social work students with improving your writing skills. I can meet with you in-person or via Zoom to go over any paper/word document with you. You can also email me your documents & I can review & provide feedback asynchronously.

HOW TO GET STARTED?

1. You can get started with WSW by emailing the graduate assistant (GA) below.
2. Please give the GA at least 2 business days to review your work.
3. GA will only look at the first 6 pages of an assignment. Let me know if you have specific areas of interest you would like me to focus on (APA formatting, grammar, paper structure, etc.)

Please Note: GA will keep all work & feedback confidential within the WSW team & you!
