

# WRITE SOCIAL WORK

(WSW) Leon Levine Hall, Room 537

## What is WSW?

- Are you feeling overwhelmed by grammar, paper structuring, or APA formatting? Need help ensuring you adhere to APA 7th edition guidelines? Write Social Work (WSW) is here to support you!
- WSW is led by an MSW student who understands the difficulties of academic writing. I'm here to assist both undergraduate and graduate social work students in enhancing their writing skills. We can meet in person or via Zoom to review any paper or document together, or you can email me your documents, and I'll provide feedback asynchronously.

### Questions?

Any questions can be directed to Sheila or to my staff advisor Dr. Kelly Williams

([martinezs3@appstate.edu](mailto:martinezs3@appstate.edu))

I look forward to working with you!

## How To Get Started

To get started with WSW, simply email the graduate assistant (GA) listed below.

- Please allow the GA at least 2-3 business days to review your work.
- The GA will review only the **first 6** pages of your assignment. If you have specific areas you'd like feedback on, such as APA formatting, grammar, or paper structure, please indicate that.

Please Note: The GA will maintain confidentiality of all work and feedback within the WSW team and you.
