

WRITE SOCIAL WORK (WSW)

LEON LEVINE HALL, ROOM 535

WHAT IS WRITE SOCIAL WORK?

Do you ever feel overwhelmed by grammar, paper structuring, or APA formatting? Need help making sure you are adhering to the APA 7th edition guidelines? **Write Social Work (WSW)** is here to help!

WSW is run by two MSW students so we know the challenges that come with academic writing. We are happy to help undergraduate and graduate social work students with improving your writing skills. We can meet with you in-person or via Zoom to go over any paper/word document with you! You can also email us your documents and we can review and provide feedback asynchronously.

HOW TO GET STARTED

1. You can get started with WSW by emailing one of the graduate assistants (GAs) below.
2. Please give the GA at least 3 business days to review your work.
3. GAs will only look at the first six pages of an assignment. Let us know if you have a specific area of interest you would like us to focus on (APA formatting, grammar, paper structure, etc).

Please note: GAs will keep all work and feedback confidential within the WSW team and you!
